Sub:- Re-copying and re-indexing work in the Sub-Registry Offices.

=====

It is found during the inspections of the Sub-Registry Offices by the undersigned that many old books of the Sub-Registry Offices are dilapidated. After the promulgation of the Ordinance No.2 on 29-6-1973, the work of the Sub-Registry Offices has come to a stand-still. The Sub-Registrars should utilise this opportunity and clear the arrears in their offices and take up the re-copying and re-indexing work of such of the volumes which are torn and difficult to handle on a top priority basis with the existing staff.

The District Registrars are requested to depute immediately clerks and attenders from under worked offices to facilitate this work to the Sub-Registry Offices where this work has to be attended to urgently. The Headquarters Assistants may be directed to examine this recopying and re-indexing work during their inspections of the Sub-Registry Offices and bring the same to the notice of the District Registrars and the undersigned. Monthly compliance report must be submitted to the District Registrars who in turn send a report to this office.

This Circular should be acknowledged.
